

Clarke Creek State School

School annual report

Queensland state school reporting

2020

From the Principal

School overview

Clarke Creek State School provides a quality educational program in a rural remote multi-age setting for students from Kindergarten through to Year Six. The curriculum offers children opportunities in all key learning areas, with a strong focus on Literacy, Numeracy, Digital Technologies and personal development. Clarke Creek State School joined the Department Delivered Kindergarten Program in 2019 and is a proud member of remote and rural centres that enable kindergarten aged children to access learning experiences prior to commencement of Prep. The school is led by a teaching principal with a range of support staff and a highly supportive and engaged school community. Parents work collaboratively through a dynamic Parents and Citizens Association which endeavours to assist with the educational program as well as development of the facilities and services for the students in this remote community. We are also strongly supported by our local branch of the ICPA, with students and families able to access a range of services and programs designed to ensure that our students are not disadvantaged, in spite of their remote location. The school has a range of facilities beyond the classroom including a multi-purpose building that includes a library housing a wide range of books and electronic resources. As well as an all seasons tennis and basketball court, the children have access to a school swimming pool which is used to ensure water safety training and swimming stroke development in the warmer months. The school serves its community as a hub for community activities and enjoys a strong connection with a group of surrounding small, rural remote schools to support best educational opportunities for the area's children.

School progress towards its goals in 2020

Clarke Creek State School continues to follow these priorities in keeping with its Strategic Plan 2020-2024, periodically reviewing whether these priorities continue to align with Regional and State foci and remain relevant to the School's context.

Priority One: Parent Engagement and Communication

Performance Measure: Improved Parent Improvement Survey results, increase in the number and types of parent communication going home throughout each term.

Priority Two: Targeted Student Support

Performance Measure: Documentation of processes for identifying students needs and allocation of resources, and students working above the expected level to maintain or improve their achievement as they move through the grades.

Priority Three: Pedagogy and Teaching practices

Performance Measure: All staff to be using agreed pedagogies across all curriculum areas, weekly and unit planning to reflect agreed teaching pedagogies.

Priority Four: Curriculum and Reporting

Performance measure: Clear and precise EIA (Education Improvement Agenda) to be articulated for the school each year, whole school curriculum and planning framework to be developed and refined.

It has been a pleasure to work with the staff, students and community throughout 2020 as we seek to enhance the educational opportunities for our students. The Covid outbreak certainly added a level of challenge that we were not expecting, but I strongly believe that together, we were able to make the best of the situation. I would like to thank everyone for their support during my first year of leadership at Clarke Creek State School, and look forward to many more years together.

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

School disciplinary absences

Table 6: Count of school disciplinary absences at this school

Type of school disciplinary absence	2018	2019	2020
Short Suspension	0	0	0
Long Suspension	0	0	0
Exclusion	0	0	0
Total	0	0	0

Notes

1. School disciplinary absence (SDA) data is a total of short suspensions (1–10 days), long suspensions (11–20 days), exclusions and cancellations.
2. The number of SDAs is not the number of students who received an SDA as one student may be suspended several times in a school year. Each time a student is suspended it is recorded as an additional SDA. The data does not reflect the outcomes of appeal decisions.
3. 2020 data was impacted by the COVID-19 health emergency. There were significantly fewer SDAs during the home-based learning period (the first five weeks of Term 2) compared to previous years.

School funding

Teacher standards and qualifications

The *Teacher registration eligibility requirements: Policy* (p.1) states:

To be eligible for registration, a person must satisfy the Queensland College of Teachers (QCT) that they meet requirements regarding qualification and experience, or have otherwise met the requirements of the *Australian Professional Standards for Teachers* (APST). A person must also satisfy the QCT that they are suitable to teach and meet English language proficiency requirements. All these requirements are specified in the Act and the *Education (Queensland College of Teachers) Regulation 2005* (the Regulation).

The qualifications required for teacher registration are successful completion of either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.

3. FTE = full-time equivalent

Key student outcomes

Student attendance

Tables 8–9 show attendance rates at this school as percentages. In 2020, the COVID-19 health emergency affected student attendance in Queensland Government schools. Comparisons between 2020 and previous years' attendance data should not be made.

Table 8: Overall student attendance at this school

Description	2018	2019	2020
Overall attendance rate for students at this school	94%	94%	90%

Notes

1. The student attendance rate is based on Semester 1 each year and is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.
2. Full-time students only.

Table 9: Student attendance rates for each year level at this school

Year Level	2018	2019	2020
Prep Year	93%	96%	91%
Year 1	90%	93%	89%
Year 2	DW	89%	91%
Year 3	93%		89%
Year 4	94%	96%	
Year 5	DW	90%	91%
Year 6	94%		DW

Notes

1. The student attendance rate is based on Semester 1 each year and is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.
2. Full-time students only.

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 NAPLAN tests are available via the [My School](#) website.

How to access our NAPLAN results

1. Click on the *My School* link <http://www.myschool.edu.au/>.
2. Enter the school name or suburb of the school you wish to search.

A screenshot of the My School search interface. It features a search bar on the left with the placeholder text "Search by school name or suburb". To the right of the search bar are three dropdown menus labeled "School sector", "School type", and "State". A magnifying glass icon is positioned to the right of the "State" dropdown menu.

3. Click on *View School Profile* of the appropriate school to access the school's profile.

4. Click on *NAPLAN* and select a year to view school NAPLAN information.

Notes

1. If you are unable to access the internet, please contact the school for a hard copy of the school's NAPLAN results.
2. The National Assessment Program – Literacy and Numeracy ([NAPLAN](#)) is an annual assessment for students in Years 3, 5, 7 and 9.
