

Investing for Success

**Under this agreement for 2020
Clarke Creek State School will receive:**

\$5,496*

This funding will be used to

- Ensure consistent, collaborative collection and collation of data for all students, with a particular focus on Numeracy and Literacy. This will enable us to set more focused targets for student improvement and measure student progress against these targets.
- Support staff to accurately assessing the impact of the strategies that we implement to address our identified problem of practice.

Our initiatives include

- An additional teacher day purchased per week to release the Principal to focus on the work listed above.
- Establish a process for the collection and collation of data across the school.
- Provide opportunities for coaching, including classroom observations, feedback conversations and modelled lessons.

Our school will improve student outcomes by

Funding additional school purchased teacher day for all of Term One	\$3787.28
Funding additional school purchased teacher days for a portion of Term 2	\$1708.72
